My dear Sir,

In reply to your note of the 12th inst.,
I beg to say that there is no record to
show that any batta or travelling
expense was paid to the former
Private Secretaries. In 1883-4,
Mr. Porter's passage amounting to
Rs 919-15-0 was paid from the
Palace.

According to an order of H.E.
the Governor-Agent passed in
1896, Col. Campbell draws
his actual travelling Expenses
on bills periodically submitted.

No rate is fixed for batta:
nor is any restriction made between
travelling within & outside
the Province.

Dewan of Mysore.

Bangalore
9th June 1902.

Sir

I have the honour to request that order may be passed with reference to the travelling allowance that I should draw whilst serving in the appointment of Private Secretary to H.H. the Maharaja.

2. The journeys to be

undertaken by me fall into two classes:—(a) those involved in the moves between Mysore, Bangalore & Ootacamund & (b) those undertaken when H.H. goes on tour, or when on occasion I may have to travel on duty by myself.

As regards (a) I would suggest that I may be paid the actual expenses incurred in moving myself, my family & servants. This I understand is the arrangement in Mr. Das's case.

In the case of (b) I should receive the ordinary allowances

provided in the Civil Service Regulations Code i.e. double first class fare for journeys by rail, the mileage permissible for journeys by road, and halting allowance for days on which no journey is undertaken. This latter may be fixed at such a sum as has been granted heretofore to officers in a similar position to my own. In case where I incur no expense either on railway fares or cartage I should of course draw no allowance.

3. I would further suggest that I should be

mit my t. a. bills &
you for countersignature.
I have the honour to be

Mr. E. Maconochie's Travelling Allowance.

N O T E.

Mr. S.M.Fraser's travelling allowances have been fixed under the orders of the Government of India as follows:-

1.From Mysore to Ooty via Bangalore or otherwise--	Actual expenses.
2.For journeys between Bangalore and Mysore.--	--Do--
3.During Provincial Tours at----------	Rs. 7-8-0 a day.
4.Out of Mysore Province--	At the rates admissible under the Mysore Service Regulations-Viz, Daily batta Rs7½, Railway fare-Double First Class. Mileage-8annas without camp equpage,12 annas with camp equpage.

5.No allowance drawn for halts at Bangalore or Mysore.

2.As regards the Private Secretaries to H.H.the late Maharaja and to Her Highness the Maharani Regent, the Palace Controller has reported that these Officers were not given travelling allowances at any prescribed rates, but were given their actual travelling expenses from the Palace from which their salaries are disbursed. The Comptroller to the Mysore Government who was personally consulted in his Office at Bangalore stated that no Travelling Allowance Bills of Private Secretaries were ever received in his Office, as those Bills were paid from the Palace.

3.

3. Our Provincial Officers and Secretaries to Government draw travelling allowances at the same rates as those allowed to Mr. Fraser for journeys beyond the State-Viz,

Daily batta---------Rs. 7-8-0

Railway fare---------Double First Class.

Mileage---------- 8Annas without camp equpage,

12Annas with camp equipage.

4. No separate provisions are laid down in the British Civil Service Regulations as regards the Private Secretaries to His Excellency the Viceroy and to the Governors of Madras and Bombay. But from Articles 1274 and 1275 of the British Civil Service Regulations, it would appear that the Private Secretaries to H.E. the Viceroy and to the Governors of Madras and Bombay, draw their allowances separately from the households of the Governor General and the Governors. It seems probable therefore, that they get their allowances in accordance with their position in the service.

5. Mr. Maconochie, if a Collector in the British Service, is entitled to a daily batta of Rs. 7-8-0 and to double First class Railway fare and to Mileage at 8 and 12 annas without or with camp equipage, respectively. If his position is that of a Sub Collector, his daily batta will,be only Rs. 4. (Vide Appendix No. 25, page 59 in the Appendix to the British Civil Service Regulations).

6. Mr. Maconochie's request is that for journeys between Mysore, Bangalore and Ootacamund he may be paid the actual expenses of moving himself and family and servants and that for Provincial Tours with His Highness and for journeys by himself on duty, he may be given the ordinary allowances provided in the Civil Service Regulations-Viz, double First Class for journeys by rail, the mileage permissible for journeys by road(which will be 8 annas when travelling without camp equipage and 12 annas when with camp equipage) and daily allowance for days when no

ourney

journey is undertaken. This last has now to be decided. As stated above, Collectors in Madras and Provincial Officers in the Mysore State get daily batta at Rs 7-8-0. Our Deputy Commissioners get Rs. 5. a day as halting allowance. The principle of our Classification is that our Provincial officers get 7½ Rupees a day - and Mr. Macnaghie is, I believe, entitled to be treated as such.

Submitted to the Dewan.

I sent off by this morning's mail, letters to the Dy Comms of Tumkur and Shimoga regarding Mr.Maconachie's proposed visit.

Mr.Maconachie reques's to be given his travelling allowances for the journey from Ootacamund to Mysore. This will not be much, as shown below ;--

From Ooty to Coonoor at 12 annas a mile.	~~10-0-0~~ 9--
Railway fare from Coonoor to Bangalore (double 1st class	56-12-0
Ry fare from Bangalore to Mysore & back (double 1st class	21-8-0
	87-4-0

I believe some lump sum will have to be given subject to future adjustment.

The list of Officers auth-rized to frank covers shows that th designation "Private Secretary "to H.H.the Maharaja" has all along been retained in the list without any change during the Regency. ~~There will therefore b~~ No action seems therefore necessary on this point.

Re: the employment of Mr Evans Macconochie I.C.S. as Private Secretary to H.H. the Maharaja of Mysore

---

The Comptroller to the Govt of Mysore in his letter No 304/15 dd 16th July 1902, requests to be informed the head of account to which the salary & and pensionary contribution etc of Mr Evans Macconochie I.C.S. newly appointed Private Secy to H.H. the Maharaja, is to be debited whether to the Provincial Revenue or to the Palace budget.

The First Assistant to the Hon'ble the Resident in his letter No 3672 dd the 8th July 1902, communicated to the Durbar the sanction of the Govt

Govt of India, to the appointment of Mr Evans Macconochie of Bombay Civil Service as Private Secretary to H.H. the Maharaja of Mysore with effect from 1st June 1902.

Mr Macconochie's term of employment in Mysore is for the present limited to one year. Regarding his pay etc it is said that he will, while so employed receive from the Mysore Govt a net salary of Rs 2000/- a month together with exchange compensation allowance according to the British Rules in force. The Durbar has besides to bear his leave and pensionary contributions etc. A further communication regarding his travelling

travelling allowance is promised.

An order appointing Mr Macconochie I.C.S as Private Secretary to H.H. the Maharaja with effect from 1st June 1902, on exactly the above terms was passed and issued by the Govt Comptr, Palace Controller and Mr Macconochie. (vide Govt order No 664-6 Mus 113 dy 14-7-02).

Though the order states in clear terms that Mr Macconochie will, while employed in Mysore, receive from the Mysore Govt a nett salary of Rs 2000/- a month etc, still the Comptroller to Govt has, notwithstanding, submitted the above reference.

TO

The Dewan of Mysore.

Dated Bangalore, 13 September 1902.

SIR,

In continuation of this office letter No. 3672 dated the 8th July 1902 and with reference to para 3 thereof, I am directed to convey the orders of the Government of India regarding the travelling allowances which Mr. E. Macconochie should receive while employed as Private Secretary to His Highness the Maharaja of Mysore.

2. Mr Macconochie may draw travelling allowance as a first class officer with a daily rate of Rs 7-8-0 for journeys between Mysore or Bangalore and Ootacamund. These journeys correspond to journeys to hill stations in the British Service and it is the recognised policy of the Government

of India to reduce the travelling allowance for these journeys to the lowest reasonable figure. For other journeys on duty there is no objection to ella edaconochie receiving a daily allowance of Rs 7-8-" and mileage eight annas, but when he is provided with the means of locomotion at the expense of the State article 1107 A of the Civil Service Regulations should be applied.
